1. At the request of Mr. Blandford, of the staff of the House Armed Services Committee, I briefed him on the proposed CIA printing establishment. Chairman Vinson, of the Armed Services Committee, has received a complaint in this connection from the Joint Congressional Committee on Printing.
2. Received a call from Mr. Murray, of the office of the Chairman of the Munitions Board, in which he requested permission to utilize certain CIA material in a Munitions Board report to the Senate Armed Services Committee on the subject of Tungsten. Forwarded the matter to AD/OCD for action.
